

JOB POSTING

South Lane Mental Health Cottage Grove, OR

Position: Psychiatric Mental Health Nurse Practitioner (PMHNP)

Availability: Immediate Opening

Requirements: Oregon Psychiatric Nurse Practitioner's License

About the Position: Psychiatric Nurse Practitioners work closely with counseling, social work, and support staff to address problems in a strengths-based, team approach. NPs do not currently have any on-call responsibilities and schedules are flexible. PMHNPs have access to consultation from respected psychiatrists as well as our own highly experienced NPs. Support staff include professionals who conduct in-depth mental health assessments prior to the NPs contact with the client, skilled crisis workers, prescription assistance staff, and other clerical workers.

Salary and Benefits: South Lane Mental Health offers competitive salary and benefits.

About SLMH: South Lane Mental Health is a non-profit community mental health organization serving the greater Cottage Grove, Oregon region. Our 70-person staff annually helps about 1,400 children and adults realize full and productive lives through counseling, case management, medication management, crisis services, and supported housing. Since 1988, South Lane Mental Health has been committed to helping people affected by mental illness and emotional problems better understand their condition and take steps toward recovery and living independently and productively in the community. Visit <http://slmh.org/> for more information.

The Work Environment: The work environment at SLMH is casual and collegial. Staff members participate in agency goal planning. We strive to provide a work environment that is respectful to both staff and clients.
